## PROFESSIONAL SUMMARY

Highly motivated and detail-oriented fresher with a strong foundation in Java programming. Eager to apply knowledge and skills in a real-world setting and contribute to innovative projects.

---

## Skills

**Programming Languages – Java**

**Technologies – HTML, CSS, JavaScript, Servlets, JSP**

**Databases – MySQL**

**Database Connectivity Technology(API) - JDBC**

---

## Education

**Degree,**

Graduation Year (2025),

Sri Venkateswara College of Engineering, Kadapa,

**Score : 75%**

**Inter,**

Graduation Year(2021),

Sri Sudha Junior College, Dhone,

**Score : 928**

**SSC,**

Graduation Year(2019),

Sri Sudha High School, Dhone,

**Score : 9.2**

---

## PROJECTS

### Project 1

#### Online Quiz System

- Designed and implemented the system using **Java, JSP, Servlets, and JDBC** for backend logic.
- Developed **user registration and login** modules with session handling and basic authentication.
- Implemented quiz functionality to **dynamically load questions** based on selected subject.
- Created **score evaluation logic** with instant result display (total marks, correct/incorrect answers).
- Designed MySQL database with tables for **users, questions, subjects and score**.
- Developed user-friendly web pages using **HTML, CSS, and JSTL tags** for quiz display.
- Ensured **input validation and exception handling** for robust and error-free operations.

### Project 2

## **Event Connect**

- Event Connect is a web-based event management platform that allows users to discover, create, and manage events seamlessly.
  - The system enables administrators to add and manage event details, while users can register, log in, and view upcoming events through an interactive dashboard.
  - Built using HTML, CSS, JavaScript, and Firebase, the platform focuses on providing a smooth user experience with real-time data handling and authentication.
- 

## **CERTIFICATIONS**

- Internet of Things, NPTEL
  - Data Science And Machine Learning, EXCELR
  - Full Stack Java, EXCELR
  - SQL Certificate, HackerRank
  - Java Certificate, HackerRank
- 

## **ACHIEVEMENTS**

- Certification for Bluetooth Technology on participation in a **AVALANCHE-23** a state level College fest.
- Actively participated in online training completion in Cloud Computing.
- Participated in sports and got many certificates and prizes.
